News Flash !

Last week I was advised by Helen Cossins (Local History Leader) and Karen McNair (Strathpine Library Branch Leader) that the Strathpine Library will shortly be temporarily closed for renovations

"Temporary Closure

Strathpine Library will be temporarily closed from Tuesday 26 April for renovations and will reopen on Tuesday 3 May 2022. Click & Collect will remain available during this period. Items can be returned via the after-hours return chute located outside the Library."

Unfortunately, this will prevent us having our usual meeting there on Tuesday 26 April. The guest speaker and his talk on the "Mephisto" tank have been rescheduled to 10 May. Everyone who has booked for this guest speaker session will have their booking automatically transferred to the new date by the Council IT department.

Next Meeting

Our next meeting is Tuesday 12 April; the Library opens at 8:30am, our meeting starts at 9am.

There will of course be a "show and tell" segment, and I am planning to bring forward some of the "Anzac" so please bring along any military snippets that you could share with the group.

Another interview session is planned but we still need more volunteers to be interviewed, so please let me know if you could do this.

After morning tea, my plan is to have a session where we review a few people's "brickwalls". This was something requested by several people in the recent survey. If you have a real stumbling block, then please email me patuppen@bigpond.com with details of who/what you need to find and where you have already searched. I will pick two or three of these to investigate during the meeting. Hopefully, with our combined knowledge and ideas, we can find something that may help somebody make a breakthrough.

We meet at Strathpine Library from 9:00 to 11:00 on the second and fourth Tuesdays of the month.
