Historical cadastral map series— Queensland

Collection of digitised maps over Queensland at various scales 1841–2005, including cadastral maps which show property boundaries, property descriptions and land tenure, and some other related miscellaneous maps. Some are annotated and quality of scans varies. The majority of map series include key maps.

40 chain parish series 1901–1997—Queensland

A list of 1005 cadastral maps at a scale of 40 chains to an inch (1:31680) covering a number of parishes in Queensland. Published in black and white, they show property boundaries, property descriptions and details of land tenure. There is a key map for this series. The majority of these maps are copies of the last parish map published by the department in the 1970s and 1980s.
